

For anyone considering a trip either with or without golf arrangements to Scotland, Ireland, England or Wales we would like to offer our services as specialists in arranging the perfect travel plans.

Our experience and history of working exclusively with these countries has allowed us the opportunity to develop outstanding and continued relationships with all of our partners in this industry -including hotels, golf courses, ground operators, car rental companies, restaurants, and touring companies -which in turn allow us to be confident in knowing that you, our clients, will receive the very best service possible. We insist on very high standards and will not sell any service provider that cannot perform to our level of quality. We are proud of each and every trip we plan and are committed to present all of this with a warm and friendly attitude, fair pricing and our promise to go the extra mile at all times.

It is the history, mission and specialty of Diamond In The Rough Golf and Luxury Getaways to provide a memorable experience tailored to the discerning traveler. At DITRG, we understand that your golf trip needs to be planned to perfection, whether it is a "once in a lifetime" trip or a yearly event we are as dedicated to each experience as if it were our own. Our attention to detail and quality has resulted in long-term relationships with satisfied customers. We set ourselves apart by always meeting the needs of our customers and frequently arrange the type of itineraries that many others simply cannot or will not do.

For us, the more complex the request the better, as this narrows the field down to a few really top-notch companies allowing our clients the confidence that we will design a perfect program around your wishes. We pride ourselves on being on the pulse of what is new and always in search of fresh ideas. Go from walking on a 600 year old golf course to a state of the art spa for some pampering, experience fine dining in some of the newest and talked about restaurants, see a fabulous show or just enjoy a pint of cold Guinness at one of the hundreds of pubs along the way...we can recommend and arrange all of the above!

If you are accompanied by guests who do not play golf they will be equally as thrilled with the unique and exciting choices we have to offer them, with just as much enthusiasm. Our luxury getaway packages offer the same type of research and planning -private garden tours, barging trips, women's weekend packages, culinary tours with cooking demonstrations, family group tours, London theatre packages that include dinners at manor houses, deluxe castle stays in highlands of Scotland or the coast of Ireland, from farmhouses to five star restaurants and helicopter transfers we can do it all with ease and eagerness.

Your Golf Vacation is very important to us and we take pride in our ability to create the perfect customized golf trip for you. To assist you with planning, we are happy to provide sample vacation itineraries to let you see what can be done and at what cost. However, as pretty much all the great courses are private member clubs, all trips have to be individually designed and this is our specialty.

Self-Drive Tours

For those who want great flexibility, a self drive tour makes sense. Everything is preplanned and booked, but the pace of travel is dictated

by you. We make sure that your rental is suitable for your party and is large enough for you to drive in comfort. Our rentals range from compact vehicles to luxury vehicles in both manual and automatic transmissions.

Chauffeur Driven Tours

Travel in luxury and style with your own personal driver and enjoy the freedom that comes from having an expert

with you. This opportunity gives you the chance to sample some of the wonderful countryside. In addition, it enables non-golfers to sightsee while the golfers play their game. These types of vehicles range from a Caravelle to Luxurious Coaches.

Helicopter Travel

For those who want to cover a lot of ground quickly, we can arrange trips or parts of trips by helicopter. Although it is

not the cheapest form of travel, it is useful if

you are only staying for a short period of time.

Accommodation Selections

We are proud of the collection of accommodations that we have to offer you. Throughout our many years in the industry we have visited, stayed in, or met with sales directors on all the properties that we suggest. It is of utmost importance to us that each accommodation meets high standards and the staff is friendly, helpful, respectful and welcoming to each and every one of our clients that come through their doors.
